Department Notes:

General Comments:

- The land acknowledgement was removed from tonight's performance
- Do we have an update on when we will have access to production photos?

Production:

- It seems like we got the entire show recorded tonight, but please let me know if we need to do it again tomorrow!

Director:

None today, thank you.

Scenic:

None today, thank you!

Props:

- One of the clumps of moss fell off of the found object during pre-show set-up, but Sam stopped by and fixed it before the show!
- The new plastic goblets were incorporated tonight-- thank you so much!

Lighting:

None today, thank you.

Sound:

- The trap room was able to hear me over the microphone tonight! We did nothing differently, but they were finally able to hear me! Thank you so much for all of your work on this!

Costuming:

- Carter requests more of the gold hair stuff
- Cristian's right shoe sole broke off (it is in his ditty bag)
- Carter's mesh shirt needs washing, it is on the hanger
- The laundry basket (and all of the other buckets) have been placed in the costume shop!

Dramaturgy:

None today, thank you.

Management:

None today, thank you.
